INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect." In answering this question the language or dialect in which alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Answer to question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should be [illegible]

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E.F. Nelson, 1st, of the Carmania, from Liverpool, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 18 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E.F. Nelson

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designation.

A farmer (as such) is made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should endeavor to obtain the information and correct answers should be made if necessary, by inspectors and primary clerks during the personal examination of aliens arrived.

Column 8 (*Can he read and write?*).—This column is to be filled and contains the following question: Read what language, if any? Write what language, if any? In answering this question, if the applicant can do either, the alien is able to read (write) be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid both to the distinction between race and the country of which a person is subject, country of last permanent residence, and country of birth, and manifest should be carefully checked by immigrant inspectors in this regard. For instance, Europe, appearing under the head of country does not mean "French" or "German" or "Russian" or "Italian," according to the head of the race or people, meaning "Alsatian" or "Basque" or "Negro" or "Hebrew" or "Irish" or "Polish" or "Scotch," etc., as the case may be, but means the country in connection the following must be observed:

[illegible]

The term "Celtic" refers to the Celtic people and includes

[illegible]

"Dalmatian" includes [illegible]

"Magyar" includes [illegible]

"Moorish" includes [illegible]

"Arabian" includes [illegible]

"African (Black)" includes [illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The fact respective to which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Columns 14 (*Whether coming to join relative or friend; destination*).—The answer should be either Yes or No.

Column 15 (*By whom last passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, brother, friend, steamship company, etc.

Columns 16 (*Whether in possession of $50 and if not, how much*).—The question should be so understood as to mean whether the alien has $50 in his possession or not. Money brought by the head of a family should not be regarded as being in possession of the family.

Column 18 (*Whether ever in the United States and if so, when and where*).—The answer should show whether or not the alien has been in the United States before and if so, the year (or period of years) and place (or places) of previous residence.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether or not the alien is going to join relative, friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 27.—These questions are self-explanatory and the answers, like all others, are required as to all aliens, including citizens of the United States. However, in answer to question 23, if alien has been in possession of $50 or less, the word "no" should be entered.

Columns 28 (*Admission*).—The entry should be made by the inspector.

AFFIDAVIT OF SURGEON

I, H. C. Keogh, Surgeon of the Carmania, sailing therewith, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly swear that I have had 20 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of
R.D.C.S. (Eng.), and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jno. H. Wilson, master, (State whether Master, First, or Second Officer) of the Armenia, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Jno. H. Wilson

Commanding Officer.

Sworn to before me this 7th day of December, 1909

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years, months, or days, according to the age of the alien. Under 1 year of age.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe, as accurately as possible, the occupation, trade, or profession of the alien at the time of arrival, as for example: Tailor, seamstress, servant, clerk, mason, carpenter, engineer, farmer, laborer, merchant, gentleman, lawyer, editor, author, musician, actress, etc. Do not use such terms as "manufacturer," "capitalist," "agent," "clerk," "laborer," without specifying the character of the establishment with which the person is connected, or the capacity in which he is employed.

A description should be made between persons and farm laborers, regardless of the statement of aliens, shown, as follows:

A farmer means a person who operates a farm, either his own or for others.

A farm laborer means one who works on a farm as a laborer, whether regular or general.

Steamship companies should make their descriptions of the occupations and trades specific as possible, if necessary, for proper classification, before leaving the general examination of alien arrivals.

Column 8. *Able to read and write.* — Every person over fourteen years of age should be required to read and write some language, before leaving the general examination of alien arrivals.

Read what language (or, if exception is to be taken, state that ground). — In connection with this question the examiner should note the answer given to the preceding question. If either is unable to read or write, exemption from the reading requirement must exist in such case or aliens should not be taken.

Column 9. *Race or people.* — Under this heading should be entered the country to which aliens belong as citizens or subjects.

Column 10. *Last or present nationality.* — The entry should show the last country of which the alien was a subject or citizen.

Second question should be read as to the duration of residence in the country from which arriving, whether subject, citizen, or last permanent residence, and should be answered in years, months, or days. Persons coming from contiguous countries should be asked how long they have been in the United States, and if they have been in the United States for a year or more, they should be asked to state the length of their last residence in the United States. Persons coming from any other country than the contiguous countries should be asked how long they have been in the United States, and if they have been in the United States for a year or more, they should be asked to state the length of their last residence in the United States.

[illegible]

[illegible]

"Negroes" should be entered as such. Color should be stated in all cases where it is known that the person belongs to a race other than the white race. The various races of mankind are not always easily distinguished, and in cases of doubt or where the race is not known or specified the word "unknown" should be used.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect. (The Italian language.)

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Arrival or an intended residence of one year shall constitute permanent residence. The last country in which aliens resided where they have resided remaining one year or more shall be the last permanent residence regardless in length of actual residence thereafter. The entries on Lines 11 should show the country and city of foreign last permanent residence. It is important for statistical purposes that detailed information be given as to country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative.

Column 13 (*Final destination*).—The answer to this question should show the actual future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show distinctly the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes or No.

Column 15 (*Whether any money paid by*).—The entry should show "Self" if the passage was paid as such by himself, father, mother, or other relative, friend, employer, or company, etc.

Column 16 (*Whether in possession of $50 and whose money*).—The answer should be as in each case indicated by one of the words "Yes" or "No," as the case may be. If "Yes," the amount shown. If any amount by the head of a family should not be included among the amounts owned by the family.

Column 18 (*Whether ever in the U. S. A. before, if so, when and where*).—The entries should show whether or not the person has been in the United States before, and if so, the year, or period of years and place, etc. (N. B.—Not adequate.)

Column 19 (*Whether coming to join husband, wife, father, mother, or other relative or friend*).—The answer should show whether the person is coming to join a relative or friend and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the words "By special inquiry" should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo. W. Nelson, Master (State whether Master, First, or Second Officer), of the "Germanic", from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Commanding Officer.

Sworn to before me this [illegible] day of December, 1919

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Last name*).—Surnames should be given first, followed by Christian name or initials. The space is for use of Government officials only.

Column 3 (*Age*).—The age of the person should be expressed in years next birthday, as last birthday preceding entry is three months or more past.

Column 4 (*Sex*).—The letter should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—Every person, male and female, over 14 years of age should be given a calling, trade, or profession, even though actually unemployed, as "laborer," "servant," "housewife," "none," etc. Persons formerly engaged in gainful occupations, but now retired, should be given their former occupations, and not "retired." Persons under 14 years of age, who have no occupation, should be entered as "child," "none," etc.

A person who should be made a separate entry on the manifest (regardless of the question of nonadmissibility), as—

A married woman who is accompanied by husband, will be followed by "wife."

A child accompanying parent, will be followed by "child."

A child accompanying father or mother, but not the other parent, will be followed by "child."

Steamship companies should instruct their agents to see that the information required by these columns is fully and correctly given, for immigration officials will be severely criticised for any incorrect statements on alien arrivals.

Column 8 (*Can read and write*).—This column is divided into two parts, to be answered by the following questions: Read what language (or, if unable to read, state what spoken)? Write what language (or, if unable to write, state what spoken)? The purpose of this question is to ascertain the ability of the alien to read and write some language, or if not, to ascertain the readiness with which he can be taught. If the alien is unable to read and write, a notation to that effect should be given.

Column 9 (*Nationality*).—Question 9 should be answered to name the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—The object of this question is to ascertain the racial classification to which the alien belongs, as Hebrew, Italian (North), Italian (South), German, English, Irish, Scotch, Spanish, Portuguese, Dutch, Flemish, French, Bohemian (Czech), Slovak, Moravian, Polish, Russian, Finnish, Magyar, Croatian, Slovenian, Dalmatian, Servian, Bulgarian, Roumanian, Greek, Lithuanian, Armenian, Syrian, Turkish, Japanese, Hindu, Chinese, Korean, Negro, Indian (American), Mexican, West Indian, Pacific Islander, East Indian, Ethnological subdivisions of the Latin, Slavonic, Teutonic, Mongolian, or Semitic peoples, or other distinctive races or peoples.

The term "Celtic" cannot be used, as the Celtic people [illegible]

[illegible]

West Indian.—Each of the [illegible] should be described as [illegible] Negro or Negress.

[illegible]

Spanish-American.—Every [illegible] Spanish-American, Cuban, Porto Rican, or Spanish American should be described as such.

[illegible]

African (black).—Natives of the various parts of Africa, whether of the black or white race, should be described as such. Natives of Egypt should be described as Egyptians, and not as Africans. Natives of the West Indies, as well as of South America, Central America, Mexico, Asia, Europe, and other countries, should be described as natives of the countries of which they are citizens or subjects, and not as natives of the countries where they were born, if different.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, America, Brazil, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect quite different from the Tuscan language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last permanent residence which an alien resided with the intention of remaining one year or more shall be the last permanent residence before acquisition of domicile of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that countries be designated precisely by country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show deliberate intention as to town or state of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether in possession of $50 and if less how much*).—The entry should show deliberately by whom passage was paid, as self, friend, relative (state which), other person (state how), steamship company, etc.

Column 17 (*Whether in possession of ticket, and if not, how much*).—The answer should give in each case the amount of money in possession of the alien, if any, above $50.

Money brought by the head of a family should not be included among the amounts specified in this column.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should indicate whether or not the alien has a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 25.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to examination by immigrant inspectors at the examination of aliens. However, in answering question 25, if alien has been excluded within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo. Nelson Master, of the "Germania" (State whether Master, First, or Second Officer), from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Commanding Officer.

Sworn to before me this 7 day of December, 19..

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Number of*) — Steamship lines should endeavor to number in this column. The space is for use of Government officials only.

Column 4 (*Name*) — The answer in this column should be entered in such a manner that the following rules may be readily followed. Thus:

Column 5 (*Sex*) — The entry should be either M (male) or F (female).

Column 6 (*Married or single*) — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*) — The entry should show what trade or occupation each passenger has followed during the past year or two. For example, if a laborer, mechanic, or servant, have such been his occupation, write: laborer, miner, mason, carpenter, blacksmith, wood sawyer, etc. — and not simply as gentleman, merchant, saddler, farmer, or other indefinite designation.

A farmer who owns the land he tills should be so described, and not as a laborer.

A farmer is one who cultivates a farm, either for himself or for others.

A farm laborer is one who works on a farm as a servant or employee.

Students and persons of leisure should be described as such. Do not enter housewife for women.

Column 8 (*Can read or write*) — This column should indicate whether each person can read or write. Read what language (or dialect) and write what language (or dialect). To ascertain this question the immigrant may be given a card or piece of paper containing a few lines in his own language and told to read them. It should be unsafe to read and write from the same language. The entry should be simply Yes or No.

Column 9 (*Nationality*) — Answers to this question should show the country of which alien is a citizen or subject.

Column 10 (*Race or people*) — See list of races printed on back (or last page) of this sheet. The entry should show the race to which each alien belongs.

Special attention should be paid to the correct designation of the races and the country of which a citizen or subject. Certain of the races mentioned in the list are frequently confounded with countries. Thus, Finns are frequently reported as Russians, Bohemians as Austrians, Scotch as English, Welsh as English, Flemish as Belgians, Germans as Austrians, Poles as Russians, Prussians, or Germans, etc. Such errors will be carefully guarded against by the Inspection officers, but the utmost care should be exercised in this particular by the steamship officials. To Irish, German, or Hebrew aliens by race will be permitted to write the name of the country from which they came, as Ireland, Germany, or Russia, as the case may be, but in no other country. To this column the following rules should be very strictly observed:

(1) Every person, without exception, must be described as belonging to some race or people.

The term "Celtic" is to be used to designate Irish people and Scotch Highlanders.

The term "Anglo-Saxon" is to be used to designate English people and Lowland Scotch.

The term "Teutonic" is to be used to designate Germans, Scandinavians, Flemish people, Dutch, and Netherlanders.

The term "Latin" is to be used to designate Italians, Spanish, Portuguese, French, Roumanians, Mexicans, Cubans, Central and South Americans, and natives of Spanish America.

The term "Slavonic" is to be used to designate Russians, Poles, Bohemians, Moravians, Slovaks, Slovenians, Croatians, Servians, Bosnians, Dalmatians, Montenegrins, Bulgarians, and Ruthenians.

The term "Hebrew" is to be used to designate Jews, of whatever country they may come from.

The term "Mongolian" is to be used to designate Chinese, Japanese, Koreans, Tartars, Siberians, Hindoos, Asiatic Turks, Persians, Afghans, Beluchistanis, Arabians, Syrians, Egyptians, Abyssinians, Turks, Armenians, Georgians, Circassians, Lithuanians, Finns, Lapps, Basques, Moors, Berbers, Kabyles, Soudanese, Nubians, Abyssinians, Hottentots, Kaffirs, Zulus, Fijians, Australians, Tasmanians, Maoris, Polynesians, Melanesians, Micronesians, Negritos, Mincopies, Andamanese, Malagasy, Samoyedes, Ostiaks, Tunguses, Yakuts, Kamchatkans, Koriaks, Chukchis, Aleuts, Eskimos, Dacotahs, Iroquois, Algonquins, Mohawks, Apaches, Comanches, Shoshones, Utes, Pueblos, Aztecs, Toltecs, Mayas, Quichés, Caribs, Arawaks, Patagonians, Botocudos, Tupis, Guaranis, Araucanians, Chibchas, Quichuas, Aymaras, Changos, Calchaquis, Diaguites, Charrúas, Pampas, Tehuelches, Fuegians, Alfourous, Battas, Dyaks, Alfourous of Halmaheira, Bugis, Javanese, Sundanese, Madurese, Malays, Achinese, Lampongs, Rejangs, Kubus, Mentawi Islanders, Nias Islanders, Siamese, Cambodians, Anamese, Burmese, Shans, Karens, Khasias, Lepchas, Nagas, Kukis, Santals, Mundas, Oraons, Bhumij, Khonds, Savaras, Gadabas, Koltas, Juangs, Bondos, Gonds, Kolarians, Dravidians, Uzbegs, Turkomans, Kirghis, Karakalpaks, Kuldjas, Taranchis, Andijanis, Afghans, Beluchistanis, Tajiks, Baltis, Dards, Kafirs, Hazaras, Jemshidis, Parsees, Lazis, Kurds, Yezidis, Tchuvashes, Mordvinians, Cheremissians, Votyaks, Permians, Ziranians, Voguls, Ostiaks, Samoyedes, Lapps, Finns, Livonians, Esthonians, Letts, Lithuanians, Old Prussians, Kassubes, Wends, Poles, Czechs, Moravians, Slovaks, Hungarians, Croatians, Slavonians, Dalmatians, Bosnians, Herzegovinians, Montenegrins, Servians, Bulgarians, Roumanians, Italians, Tyrolese, Greeks, Albanians, Spaniards, Portuguese, Basques, Andorrans, Gibraltarians, Maltese, French, Belgians, Luxemburgers, Swiss, Germans, Austrians, Liechtensteiners, Hungarians, Bohemians, Moravians, Galicians, Prussians, Hessians, Saxons, Bavarians, Wurtembergers, Badenese, Alsatians, Hessians, Rhinelanders, Westphalians, Hanoverians, Oldenburgers, Brunswickers, Mecklenburgers, Pomeranians, Schleswigers, Holsteiners, Danes, Icelanders, Norwegians, Swedes, Lapps, Finns, Dutch, Flemish, Netherlanders, Scotch, Welsh, English, Irish, Canadians, Newfoundlanders, Bermudians, Cubans, Porto Ricans, Haytians, Jamaicans, Central Americans, Mexicans, South Americans, Brazilians, Chilians, Argentinians, Uruguayans, Paraguayans, Peruvians, Bolivians, Ecuadorians, Colombians, Venezuelans, Guianese, Australians, Tasmanians, New Zealanders, Hawaiians, Filipinos, Samoans, Tongans, Fijians, Maoris, Micronesians, Melanesians, Negritos, Malagasy, Arabians, Syrians, Egyptians, Abyssinians, Turks, Armenians, Georgians, Circassians, Persians, Afghans, Beluchistanis, Hindoos, Asiatic Turks, Chinese, Japanese, Koreans, Tartars, Siber

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Gustav Nelson, Master, of the "Carmania", from Liverpool, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Gustav Nelson
Commanding Officer.

Sworn to before me this day of December, 1914
at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Family name*).—Surnames (last name) should be entered in this column. The same is for use of immigrant officials only.

Column 3 (*Age*).—The age of the alien should be stated in years. If under 1 year, state number of months in fractions of a year.

Column 4 (*Sex*).—The entry should be M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry should describe the occupation as classified in the immigration laws, i. e., professional (lawyer, clergyman, author, etc.), skilled (mechanic, engineer, farmer, etc.), or unskilled (laborer, servant, etc.). Persons without occupation, such as women and children, should be returned as having no occupation. Wives, children, and unmarried men under 16 years of age, even though possessing property, should be returned as having no occupation.

A fine is imposed if the master shall bring an alien to the United States who has been refused a landing at a port of entry because of mental or physical disability, and such fine is to be a lien upon the vessel which shall have brought the alien to the port from which he came.

A fine is imposed if the master shall bring an alien to the United States who has been refused a landing at a port of entry because he belongs to one of the prohibited classes, unless the master shall have complied with the requirements of the law governing the removal of aliens from vessels.

If necessary to fully answer any question, the continuation sheet may be used. If used, the number of the question must be stated.

Columns 8 and 9 (*Nationality and race*).—Nationality means allegiance to a country, and race means descent from a people or stock. Thus, a native of Germany may be a German by nationality and a Hebrew by race; a native of Ireland may be an Irish subject by nationality and a Celt by race; a native of Scotland may be a British subject by nationality and a Scot by race; a native of Canada may be a British subject by nationality and a Canadian by race; a native of Mexico may be a Mexican by nationality and a Spaniard by race; a native of Cuba may be a Cuban by nationality and a Spaniard by race; a native of Bohemia may be a Bohemian by nationality and a Slav by race; a native of Switzerland may be a Swiss by nationality and a Teuton by race; a native of Belgium may be a Belgian by nationality and a Teuton by race; a native of Turkey may be a Turk by nationality and a Turanian by race; a native of Persia may be a Persian by nationality and an Iranian by race; a native of Arabia may be an Arabian by nationality and a Semite by race; a native of Egypt may be an Egyptian by nationality and a Hamite by race; a native of Abyssinia may be an Abyssinian by nationality and a Hamite by race; a native of Finland may be a Finn by nationality and a Finn by race; a native of Iceland may be an Icelander by nationality and a Teuton by race; a native of Portugal may be a Portuguese by nationality and a Latin by race; a native of Greece may be a Greek by nationality and a Hellene by race; a native of Hungary may be a Hungarian by nationality and a Magyar by race; a native of Poland may be a Pole by nationality and a Slav by race; a native of Russia may be a Russian by nationality and a Slav by race; a native of Scotland may be a Scot by nationality and a Celt by race; a native of Wales may be a Welshman by nationality and a Celt by race; a native of Ireland may be an Irish subject by nationality and a Celt by race; a native of Italy may be an Italian by nationality and a Latin by race; a native of Roumania may be a Roumanian by nationality and a Latin by race; a native of Spain may be a Spaniard by nationality and a Latin by race; a native of Syria may be a Syrian by nationality and a Semite by race; a native of Turkey may be a Turk by nationality and a Turanian by race.

ITALIAN CONSULS.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, America, Australia, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, shall be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—A fixed or habitual residence of one year shall constitute a permanent residence. The last residence in which a person has had a permanent residence of one year or more should be stated. If the last residence was in a country other than the United States, the name of the country should be stated. Persons who have come to the United States to settle permanently should state the country in which they have had their last permanent residence. The citizen of a country who has had a permanent residence in another country should state the last country of which he was a citizen or subject. Nationality and race are not necessarily the same as last permanent residence. A native of Germany may have had a permanent residence in Belgium, France, or England, and a native of Belgium may have had a permanent residence in Germany or France. If no permanent residence, write "None."

Column 11 (*Vessel and port from which alien last came to the United States*).—The name of the vessel should be stated in full, and the port should be stated by the name of the city or town from which the vessel sailed when the alien embarked.

Column 12 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place to city or town of intended future permanent residence, if within the United States, and the country, if outside the United States.

Column 13 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No.

Column 14 (*Whether has paid passage*).—The entry should show whether passage was paid "By himself or herself," "By friends," "By relatives," "By steamship company," or "By others."

Column 15 (*Whether in possession of $50 or more*).—The answer should be "Yes" or "No." Gold, foreign or United States, the equivalent in money thereto. Money brought by the alien should not be confused among the several members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries should be a statement of "Yes" or "No" in the United States before, and if so, the year or period of years, and place, as "1903, Chicago."

Column 17 (*Whether going to any relative, and if so, what relative, and whether such relative pays the passage*).—The answer should show whether going to join others, a relative or friend, and if so, what relative or friend, with name and residence thereof.

Columns 18 to 41.—These questions are self-explanatory and the answers, like all others, as the alien has a right to refuse to answer the inspecting officers or the examining surgeon. However, no answer should be left blank, as silence may be interpreted unfavorably by the Secretary of Labor. However, in answering these questions, if the alien can not read, the answers to such questions should be given.

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stenographer, laborer, servant, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have. Thus:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Can he read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the heads of countries does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race will, of course, come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether alien has passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case individual or family. the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Columns 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

(Column 2 *Head tax status*) — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for examples, coal engineer, stationary engineer, boilermaker, machinist, polisher, moulder, farmer, merchant, laborer, seamstress, etc. Such terms as "engineer," "mechanic," "manufacturer," "gentleman," and "lady" are too indefinite to be made between unskilled farm laborers, regardless of the amount of money they have, as follows:

A farmer owning his own farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make this distinction on the manifests, and correct any that should be made. A statement by immigrants and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). This column is ruled and contains the following question: "Can read what language or dialect?" If exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully scanned to see that they are properly entered. For instance, "Hebrew" appearing under the head of country, does not mean "France," "Germany," "Russia," or "England," but indicates that the person belongs to the Hebrew race or people, and not to the country of which he is a citizen or subject. "French" means of the people of France, including Corsica; "German" means of the people of Germany; "English" means of the people of England, Scotland, Wales, Ireland, and Canada, but not of the people of the United States, Australia, or New Zealand. "Scandinavian" means of the people of Sweden, Norway, Denmark, Iceland, or Finland. "Finnish" means of the people of Finland. "Dutch" means of the people of Holland, commonly called Netherlands, and sometimes Batavia. "Flemish" means of the people of Belgium. "Belgian" means of the people of Belgium, Flemish or Walloon. "Spanish" means of the people of Spain, including Catalans, Andalusians, Castilians, Basques, Balearic Islanders, Canary Islanders, and Minorcans. "Portuguese" means of the people of Portugal, including Madeira Islanders, Azores Islanders, Cape Verde Islanders, Portuguese Indians, Portuguese Africans, Portuguese Asiatics, Portuguese Australasians, and Portuguese Americans. "Italian" means of the people of Italy, including Sardinians, Sicilians, Tuscans, Neapolitans, Piedmontese, Genoese, Lombards, Venetians, Calabrians, Abruzzians, Apulians, Romans, Umbrians, Marchigians, Molisians, Campanians, Basilicatans, and Corsicans. "Polish" means of the people of Poland, including Austrian Poles, Prussian Poles, Russian Poles, Galicians, Posnanians, Lithuanians, Silesians, Kashubes, Mazurians, Ermelanders, Cassubians, Warmians, Lemkis, Gorals, Bialorussians, Podlachians, Polish Jews, Polish Gypsies, Polish Tartars, Polish Germans, Polish Austrians, Polish Russians, Polish Prussians, Polish Americans, Polish Australasians, Polish Africans, Polish Asiatics, and Polish Canadians. "Russian" means of the people of Russia, including Great Russians, Little Russians, White Russians, Russian Jews, Russian Gypsies, Russian Tartars, Russian Germans, Russian Finns, Russian Poles, Russian Austrians, Russian Prussians, Russian Americans, Russian Australasians, Russian Africans, Russian Asiatics, and Russian Canadians. "Bohemian" means of the people of Bohemia, including Bohemian Germans, Bohemian Austrians, Bohemian Russians, Bohemian Prussians, Bohemian Americans, Bohemian Australasians, Bohemian Africans, Bohemian Asiatics, and Bohemian Canadians. "Austrian" means of the people of Austria, including Austrian Poles, Austrian Germans, Austrian Russians, Austrian Prussians, Austrian Americans, Austrian Australasians, Austrian Africans, Austrian Asiatics, and Austrian Canadians. "Hungarian" means of the people of Hungary, including Hungarian Germans, Hungarian Austrians, Hungarian Russians, Hungarian Prussians, Hungarian Americans, Hungarian Australasians, Hungarian Africans, Hungarian Asiatics, and Hungarian Canadians. "Finnish" means of the people of Finland. "Dutch" means of the people of Holland, commonly called Netherlands, and sometimes Batavia. "Flemish" means of the people of Belgium. "Belgian" means of the people of Belgium, Flemish or Walloon. "Spanish" means of the people of Spain, including Catalans, Andalusians, Castilians, Basques, Balearic Islanders, Canary Islanders, and Minorcans. "Portuguese" means of the people of Portugal, including Madeira Islanders, Azores Islanders, Cape Verde Islanders, Portuguese Indians, Portuguese Africans, Portuguese Asiatics, Portuguese Australasians, and Portuguese Americans. Residence, Column 11 (*Last previous permanent residence*). — Actual or intended residence of one year shall constitute permanent residence. The last previous permanent residence of an alien is the last permanent residence of his or her parents, if unmarried and a minor, regardless of length of actual residence thereat. The entries in every case shall be the last permanent residence of both of actual residence thereat. The entries in every case shall be the last permanent residence of both of actual residence thereat. The entries in every case shall be the last permanent residence of both

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter if the age is under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, machinist, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, worker, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed by laborers.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following question: Read what language? (i. e., if exemption is claimed, upon what ground)." In answering this question the word English or dialect. The alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country should not mean "French" by race or people, and, similarly, "French" appearing under race should not mean "France" by country. An Irish, German, or Hebrew alien is a native, subject, or citizen of the kingdom of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who does not come from Cuba or other islands of the West Indies, South or South American, European, or Asiatic. Any alien with admixture of blood of the African Negro should be classed hereunder this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of person or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place—city or town—of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*If holder having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as if husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if less how much.*)—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should be divided among the several members of the family.

Column 18 (*If ever before in the United States, when and where.*)—The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1894, 1897, Philadelphia.

Column 19 (*If going to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory, and the answers in all cases to the above are subject to rejection by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, ... , Surgeon of the CARMANIA SAILING THEREWITH , (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly swear that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ..... , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before the commissioner of immigration at the port of arrival and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before a commissioner of immigration or other officer duly authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. W. Nelson MASTER, of the CARMANIA, from ..., do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to ... physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 2 (*Age.*)—The answer in this column should be expressed in years or months, the latter only if under 1 year of age.

Column 3 (*Sex.*)—The entry should be either M (male) or F (female).

Column 4 (*Married or single.*)—The answer should be M (married) or S (single). Widowed persons should be returned as single.

Column 5 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation or calling of each alien named, as, for example, "Coal engineer, stationary engineer, bookkeeper, merchant, farmer, laborer, tailor, seamstress, dressmaker, milliner, servant, cook, waiter, etc." And not simply "laborer," "engineer," "mechanic," "dressmaker," "clerk," "manufacturer," "gentleman," "lady," "servant," "cook," "waiter," etc. A distinction should be made between farmers and farm laborers, regardless of the ancient custom to class them all as "farmers."

A person who operates a farm, either for himself or for others.

A person who operates a farm for the most who operates it.

A person who works on a farm.

Persons who are not actually engaged in any occupation should be returned as having no occupation.

Children and infants should be returned, by themselves, as "children" or "infants," as the case may be.

Column 6 (*Able to read and write.*)—This column is subdivided and contains the following question, "Read and write?" or "Can read and write?" In answering this question it should be borne in mind that the object of the question is to ascertain whether the alien is able to read and write any language, and not whether he is able to read and write the English or any other language. If the alien is able to read and write, the fact should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be stated.

Column 7 (*Nationality.*)—Question 7 should be construed to mean the country of which alien is a citizen or subject.

Column 8 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked in these particulars and wrong entries in this regard corrected. For instance, "Finnish" appearing under the column for "race or people" should be stated as "Finn," "Russian" appearing under the column for "race or people" should be stated as "Russ," "Hebrew" as "Jew," "Scotch" as "Scot," "Welsh" as "Welsh," "Flemish" as "Flem," "Bohemian" as "Bohem," "Moravian" as "Moravian," "Dalmatian" as "Dalmatian," "Bulgarian" as "Bulgarian," "Servian" as "Servian," "Lithuanian" as "Lithuanian," "Norwegian" as "Norwegian," "Roumanian" as "Roumanian," "Portuguese" as "Portuguese," "Spanish" as "Spanish," "German" as "German," "French" as "French," "Dutch" as "Dutch," "Swiss" as "Swiss," "Turkish" as "Turkish," "Greek" as "Greek," "Italian" as "Italian," "Chinese" as "Chinese," "Japanese" as "Japanese," "Indian" as "Indian," "Ethnological" as "Ethnological," "Magyar" as "Magyar," "Slovak" as "Slovak," "Slovenian" as "Slovenian," "Croatian" as "Croat

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Leo W Nelson, MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First, or Second Officer.)

Leo W Nelson

COMMANDING Officer.

Sworn to before me this ..... day of ....., 19

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. This space is reserved for Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, lawyer, physician, minister, clerk, editor, author, teacher, bookkeeper, engraver, tailor, mason, carpenter, painter, cabinet maker, baker, butcher, locksmith, gardener, miner, blacksmith, machinist, moulder, tanner, archer, bricklayer, designer, etc. A careful distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as follows:

Farmer (—owner who operates a farm, either for himself or for others).

Farm laborer (farm hand who works on a farm for the man who operates it).

Agents, employees, and others making the declaration thereon the manifests and correspondents should be made acquainted with the above instructions and directions governing the personal examination of alien arrivals.

(The remaining instructions and explanatory clews pertaining to the personal examination of alien arrivals, by inspection officers, are omitted.)

Column 8 (*Able to read and write*).—These columns are subdivided and contains the following questions: "Read what language (or dialect) the alien is able to read should be stated. If alien is unable to read and claims (by reason of age) the (reading requirement) the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a native or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the person people or race to which he belongs.

Special attention should be paid to the distinction between race and the country of which he citizen or subject. Individuals should be carefully and correctly described as to race, and manifests should be carefully examined to see that proper entries have been made in this regard. For instance, "France" appearing under the head of nationality does not mean "French" by race or people, and, similarly, "French" appearing under the head of race does not mean "France" by country. An Irish, German, or Hebrew although he may have been born in England, France, he country. An Irish, German, or Hebrew although he may have been born in England, Scotland, France, he country. An Irish, German, or Hebrew although he may have been born in England, Scotland, Switzerland, or any other country. In this connection the following directions should be especially observed:

CHINESE

The term "Chinese" refers to the Asiatic people, not Negroes.

WEST INDIAN

The term "West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

CENTRAL AMERICAN

The term "Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, the native race of Africa, as distinguished from Cubans or other races born on the island of the West Indies, South or South American Europe or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Record as "Abroad" or the intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. The last permanent residence regardless of length of last residence thereon. The entries in this column should be the last permanent residence and city or town of last permanent residence. It is important for purposes of comparison that persons' permanent residence accurately show country of last permanent residence and not country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return to this country after temporary visits abroad should be entered "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of nearest relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States (country, if outside the United States).

Column 15 (*Whether has ever been in U. S. before*).—The answer should be either Yes or No (or Yes or No inserted).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case the amount of money possessed by the alien. Money brought by the head of a family should be included under the several members of the family.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend, with name and complete address*).—The entries should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 (*Whether ever before rejected, and if so, why*).—These questions are usually explained to aliens by inspection officers in charge of aliens. However, in answering questions 20, if alien has been deported or given permission to leave on account of labor, has authority been granted to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

59

I, [illegible], Surgeon of the CARMANIA SAILING THEREWITH, do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

[illegible]

Sworn to before me this [illegible] day of [illegible], 19

at NEW YORK

Note.—If a surgeon sails with the vessel, this affidavit or certificate shall be executed before the immigration officer at the port of arrival, and any changes that may have occurred are to be noted in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit or certificate shall be executed at the port of departure before the vessel's clearance is granted.

LIST OF RACES OR PEOPLES

Columns 2 (Head tax status).—Steamship lines should make no entries in this column. The entries are those of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter for infants under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or Single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, farmer, merchant, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, engineer, polisher, molder, turner, or other indefinite designation.

No distinction should be made between farmers and farm laborers, regardless of the amount of money each may have. As follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: Read what language? If exemption is claimed, upon what ground? In answering this question the knowledge or ability of the alien to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race should properly come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuban and Negro.

SOUTH AMERICAN.

"South American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro natives of Africa, and Negroes from Cuba, Porto Rico, Trinidad, the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed as of the black race.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to this city from abroad should be recorded "United States."

Column 12 (Name and complete address of relative or friend in, country whence alien came.—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination.).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place in city or town of intended future permanent residence, if within the United States, complete, if outside the United States.

Column 15 (Whether having ticket through to such final destination.).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid?).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50 and if less how much.).—The answer should give in each case individual totals, thereby the amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the U. S. and if so, when and where.).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891–1907, Philadelphia.

Column 19 (Whether going to join relatives or friend, and if so, what relatives or friend.).—The answer should show whether going to join relatives or friend, and if so, what relatives or friend, with name and complete address.

Columns 20–33.—These questions are usually unanswered and the answers, like all others on the sheet, are subject to revision by inspector officers of the Government at ports. However, in answering question 20, if alien has been in the United States one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter for infants under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the calling or occupation of each alien arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely engineer, polisher, molder, turner, or other indefinite designations.

An instruction should be made that born farmers and farm laborers, regardless of the amount of money they have, are as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspection and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: (1) Able to read? (2) Able to write? If exemption is claimed, upon what ground? In answering this question the word "yes" or "no" should be stated. If the alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, as given in questions 9 and 17, and manifests should be carefully scrutinized by inspection and registry clerks in this regard. For instance, "France" appearing under the head of nationality means the country of France, but the race or people, and, similarly, "Ireland" appearing under the head of nationality means "Irish" by race or people, and, similarly, "Ireland" appearing under the head of race or people does not mean "Irish" by country. An Irish, German, or Hebrew woman who has been a resident of England, Switzerland, or any other country for many years, and who comes to the United States from England, Switzerland, or any other country, should be entered under the heading of England, Switzerland, or any other country. In this connection the following classifications should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

The term "West Indian" means the people of the West Indies, other than Cubans or Negroes.

SOUTH AMERICAN.

The term "South American" refers to the people of Central and South America, and a similar designation.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who therefore may come from Cape of Good Hope, Liberia, Egypt, or other parts of Africa. Any person with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year constitutes "last permanent residence" regardless of length of actual residence therein. The entries "at sea" or "on board ship" are not sufficient. It should show the country and city or town of last permanent residence. It is important for immigrant inspectors at steamship ports of arrival accurately to know country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether passage was paid by him or by whom purchased, and if not, whether he has money, and how much, in his possession*).—The entry should show definitely by whom passage was paid, as self, wife, husband, father, mother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50 and if less than $50 how much*).—The answer should give in each case the amount of money shown. Money brought by the head of a family should be divided between the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether yes or no (Yes or No) in the United States before, and if so the year or period of years and place, as, 1903, New York; 1907, Philadelphia.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by immigrant inspectors. In the examination of aliens. However, in answering question 28, if alien has been deported who has not since been lawfully admitted and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Chas L Nielsen MASTER of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, statistician, lawyer, teacher, author, editor, clergyman, musician, baker, butcher, grocer, tailor, dressmaker, milliner, servant, cook, waiter, barber, hairdresser, manicure, chiropodist, nurse, midwife, engineer, machinist, blacksmith, moulder, carpenter, cabinetmaker, painter, glazier, upholsterer, plumber, tinsmith, locksmith, gunsmith, weaver, dyer, printer, bookbinder, miner, mason, stonecutter, potter, glassblower, iron worker, steel worker, iron moulder, steel moulder, wood turner, etc., and not simply "laborer," "factory," "mechanic," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correctness should be made a matter of instructions and requirements of clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: Read what language? If exemption is claimed, opinion what excused? In answering this question the language declared the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Answer in 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reporting clerks in this regard. For instance, "France" appearing under the head of country designation means "French," by race or people, and, similarly, "Ireland" appearing under said head of country designation means "Irish" by race or people, and, similarly, "Germany." An Irish, German, or Hebrew alien born in the United States, or in the province of England, Scotland, or any other country. In like manner, the Canadian-born alien should be entered "Canadian."

CUBAN

The term "Cuban" should be used to designate the people of the Island of Cuba.

WEST INDIAN

West Indian" should be used to designate the people of the British West Indies other than either Cuban or Negro.

CENTRAL AMERICAN

The term "Central American" should be used to designate the natives of the several Central American republics.

MEXICAN

The term "Mexican" should be used to designate the natives of the Republic of Mexico.

African (black)" should be used to designate the Negro race, as distinguished from Cuban, West Indian, Central American, European, or Asiatic. Any alien with admixture of Negro blood, if the African Negro predominates, should be classified under this heading.

ITALIAN NORTH

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian north." Most of these people speak a Gallic dialect and not the Italian language.

ITALIAN SOUTH

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian south."

Column 11. *How many years in U. S.?*—Visited or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be last permanent residence recorded instead of actual residence thereto. The entries in column 11 should show the country and city or town of last permanent residence. It is important for educational purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Column 12. *Have you had permanent residence in U. S. before?*—Aliens who are permanent residents of the United States and are returning to it after visit abroad should be recorded "United States."

Column 13. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes or No—Yes or No.

Column 16. *By whom passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less how much.*—The answer should give in each case such sum of money the alien has in his possession, if any, as shown. Money brought by the head of a family should be recorded against the several members of the family.

Column 18. *Whether ever before in U. S., and if so, when and where.*—The entry should show whether or not Yes or No—as the United States it is, and if so, the year, if prior to 4 years, as 1903, 1897, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join father, wife, friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are to be answered [illegible] all others [illegible] subject to [illegible] [illegible] [illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intentioned remaining one year is to be held to be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place desired as intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If going to join a relative, name this relative; if not, state whether going to join friend, or what other reason for coming to the United States*).—The answer should be either Yes or No (or the fact stated).

Column 15 (*If ticket paid for by another, state whether by himself, by relative, friend, steamship company, etc.*).—The entry should show definitely by whom passage was paid: oneself, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*If in possession of $50 and if less than $50, how much?*).—The answer should give cash in each case, whether in gold, silver, or paper, and whether United States money or foreign money. Money brought by the head of a family should be reported as the total amount for the family.

Column 17 (*Whether ever before in the United States, and if so, when and where?*).—The answer should show whether yes or no. If yes, to the United States before, and if so, the year or period of years and place, as, 1906, New York.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should be whether yes or no. If yes, whether relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 (*Ex*).—These questions are to be answered only when the alien is a citizen of the Republic of Mexico. The answer should be yes or no. However, in answering question 19, if it is not known whether the alien has been in the United States, the Secretary of Labor has authorized the immigrant inspector to assume that the alien has been in the United States.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. Fickers MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. All Irish, German, or Hebrew alien by race must not properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to it a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (to ket) or No (no tic ket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] (State whether Master, Commanding Officer, First or Second Officer) MASTER of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applied only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, farmer, laborer, merchant, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following question: Read what language, if any? If exemption is claimed, upon what ground? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country always means "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien leaving a Continental port should properly be entered under the heading of England, Switzerland, or any other country. In this connection the following should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. An alien with admixture of blood of the African Negro will be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much.*)—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be recorded among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, where and when.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1903, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends.*)—The answer should show whether going to join either relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 22.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by immigration officers in the examination of aliens. However, in answering question 22, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly (State whether Master, First, or Second Officer) that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein, is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head of family*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widower), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, farmer, clerk, mason, machine engineer, brass polisher, steel polisher, iron molder, wood turner, etc.; and not merely as engineer, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: Read what language (or if exempt from reading, state what exemption)? In answering this question the exemption or the fact that the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth, also nearest kin, should be carefully considered by inspectors and registry clerks in this regard. For instance, Irish appearing under the head of race or people should not mean Ireland, but race or people, and, similarly, French appearing under the head of race or people does not mean France, but country. An Irish, German, or Hebrew alien is entitled to be reported as coming from the kingdom of England, Switzerland, or any other country. In this connection the following descriptions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

MEXICAN—AMERICAN

"Spanish-American" refers to the people of Central and South America and of Spanish descent.

AFRICAN—BLACK

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A visit or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13: (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom and passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative (friend, steamship company, etc.).

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (only should it include the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether ever (Yes or No) in the United States before and if so, the year (or period of years) and place, as, 1894 (—), Philadelphia.

Column 19 (*Whether going to any relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible] Surgeon of the CARMANIA, SAILING THEREWITH, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly SWEAR that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] (Title), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 21 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo Wilkelson, MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 21 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Geo Wilkelson
COMMANDING Officer.

Sworn to before me this day of , 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax exempt.*) — Steamship lines should make no entries in this column. The space is for use of Government officials.

Column 4 (*Age.*) — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*) — The entry should be either M (male) or F (female).

Column 6 (*Married or single.*) — The answer should be M (married) or S (single). Widowed, or divorced, or legally separated.

Column 7 (*Calling or occupation.*) — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Coal engineer, Stationary engineer, Locomotive engineer, Engine engineer, Engine fireman, Steel polisher, Iron moulder, Wood turner, etc., and not simply as engineer, polisher, moulder, farmer, or other indefinite designations.

All persons should be marked as skilled laborers and farm laborers, regardless of the amount of money in their possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correctness should be insisted upon by inspectors and examining surgeons during the personal examination of alien arrivals.

Column 8 (*Able to read and write.*) — This column is to be ruled and contains the following question: Read and write language (or languages) (if any) which he can read and write. In answering this question it is not necessary to ascertain the extent to which the person is able to read and understand. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*) — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*) — See list of races printed on back of this sheet. The entry should show the race or people as therein set out.

Special attention should be paid to the distinction between race and the country of which he comes or last resided. Country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and primary clerks in this regard. For instance, "France" appearing under the head of country, does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien born in Ireland, Germany, or Russia, respectively, is of the Irish, German, or Hebrew race or people, whatever may be the boundary of England, Scotland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, South or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*) — No and or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of nationality, residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*) — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*) — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination.*) — The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid.*) — The entry should show definitely by whom passage was paid, as self, friend, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much.*) — The answer should give in each case the exact amount (to the nearest dollar shown). Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where.*) — The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891 (Philadelphia).

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend.*) — The answer should show whether going to join (either a relative or friend), and if so, what relative or friend, with name and complete address.

Columns 20 to 34. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to penalties for perjury. In the examination of aliens — However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr Henry Knight Surgeon, Surgeon of the CARMANIA, SAILING THEREWITH (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly SWEAR that I have had 24 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, civil engineer, lawyer, tailor, merchant, clerk, mechanical engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may possess, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockraisers, planters, etc., should make similar distinction on the manifests, and corrections should be made in necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is to be filled and answered in the following manner: Read what language (or, if expression is objected, upon what grounds) he is supposed to read and choose the question or dictate the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See page of notes printed on back of this sheet. The entry should show the race or people as given in next head line.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scrutinized by inspectors and deputy clerks in this regard. For instance, Hungarian and other races frequently claim Austria-Hungary as their country, when in fact they belong to one of the races or peoples under the rule of that government, such as Magyar, Croatian, Slavonian, Polish, Bohemian, Moravian, Slovak, Dalmatian, Ruthenian, Transylvanian, Bosnian, Herzegovinian, etc. Persons of these races should be returned as Hungarian, Austrian, Austro-Hungarian, Bohemian, Polish, Russian, Turkish, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Roumanian, Servian, Croatian, Slavonian, Ruthenian, or Transylvanian, as the case may be, and not as Austrian, Austro-Hungarian, Hungarian, Turkish, Russian, Roumanian, Servian, Montenegrin, or Dalmatian, unless they belong to those races. Persons coming from the British Provinces should be returned as Canadian, Scotch, Irish, Welsh, English, etc., according to the birthplace of the alien, and not as British. Persons coming from Switzerland should be returned as Swiss, and not as German, French, Italian, etc., unless they belong to those races. Persons coming from Mexico should be returned as Mexican, and not as Spanish, unless they belong to the Spanish race. Persons coming from Cuba should be returned as Cuban, and not as Spanish, unless they belong to the Spanish race. Persons coming from Scotland should be returned as Scotch, and not as English, unless they belong to the English race. Persons coming from Wales should be returned as Welsh, and not as English, unless they belong to the English race. Persons coming from Ireland should be returned as Irish, and not as English, unless they belong to the English race. Persons coming from the following countries should be especially observed:

CUBA.

The term "Cuban" refers to the Cuban people and not to Negroes.

WEST INDIES.

"West Indian" refers to the negro of the West Indies rather than either Cuban or Negro.

CENTRAL AMERICA.

"Central American" refers to the people of Central and South American countries.

AFRICA.

"African" refers to the aborigines of the African continent, rather than Cubans, natives of the West Indies, South or Central America, Europeans or Asiatics. Any person born in Africa should be returned as African, but if born of white parents should be returned as white.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries "U. S." or "United States" will not be sufficiently definite, but should show the county or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of nationality or temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return after a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place to which it is intended future permanent residence, if within the United States (country, if outside the United States).

Column 14 (*If having been in U. S. previously, when and where?*).—The answer should be either Yes (ticket) or No (left blank).

Column 15 (*Whether in possession of $50 and by whom purchased*).—The entry should show definitely by whom passage was paid, as stated by alien, whether $50 or other amount, and if $50 or more, whether in possession of alien or not.

Column 16 (*Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*).—If going to join relative, write name of relative, whether father, husband, brother, mother, wife, sister, etc., and name and complete address of such relative. If going to friend, write name and complete address of such friend.

Column 17 (*Whether ever before in U. S., when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year or period of year and place (town, city) of last visit.

Column 18 (*Whether going to join a friend, and if so, what friend, and where is he located*).—The answer should show whether or not alien is going to join a friend, and if so, what relative or friend, with name and complete address.

Columns 20 to [illegible].—These questions are self-explanatory and the answers should call for such information as is usually required in the examination of aliens. However, in answering question No. 21 when an alien has been absent from the United States one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, clerk, engineer, shipowner, merchant, bookkeeper, tailor, miner, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc. (not simply as "laborer," "polisher, molder, turner, or other indefinite description).

A distinction should be made between farmers and farm laborers, regardless of the American use of terms, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and primary clerks during the personal examination of alien arrivals.

Column 8 (*Can read; can't read*).—This column is subdivided and contains the following question:

Read what language or dialect, if examination is claimed, when not proposed.—In answering this question the knowledge or ability of the alien to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Last or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully prepared by inspectors and primary clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under the heading country does not mean "France" by country. Any Irish, German, or Hebrew alien coming on a United States passport or coming to the United States from England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, selection to be made from the native races of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the complete and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens, whose permanent residents of the United States and not returned to it after visit abroad, should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid?*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should give in each case (individual or family) the exact amount of money in alien. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1901 (New York).

Column 18 (*Whether coming to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join father, relative, friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are left in blank for the use of the examining officers. They all relate to the subject of exclusion by reason of alien's examination at above. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, Geo W Nelson, MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money, if any, possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and secretary's clerks during the personal examination of alien arrivals.

Column 8 (*Nationality, or Race, as to Land and people*).—This column is subdivided and contains the following question: "Read and language [or if exemption is claimed, upon what ground]." In answering this question the nationality or race of the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a "subject" or citizen.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the word "country" does not mean "French" by race or people, and, similarly, "French" appearing under "race or people" does not mean "France" by country. An Irish, German, or Hebrew alien by race or people, even under the heading of England, Switzerland, or any other country. In this connection the following descriptions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket through to final destination*).—The answer should be either Yes (a ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family (the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*If ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1896, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 22, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, T Henry Knight, Surgeon of the CARMANIA SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly 1 YEAR that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of B.L.A. (Lond.), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER, of the CARMANIA, from LIVERPOOL, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly SAY that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Geo W Nelson

COMMANDING Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money alien may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and resident clerks during the personal examination of alien arrivals.

Column 8 (*Nos. 1 and 2 read and write*).—This column is subdivided and contains the following question: Read what language or, if exemption is claimed, upon what ground?" In answering this question "read" means understand when the alien is able to read. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully prepared by steamship and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien is a citizen or subject of the country in which he was born, and not necessarily of Ireland, Germany, or Palestine, respectively, which countries are not to be found in the list of races or peoples. Aliens born in Ireland should be described as Irish, those born in Germany as German, and those born in Palestine as Hebrew, Jewish, or Semitic, according to the best information obtainable.

Aliens coming from countries in which they have resided for a long time should be described as natives of the countries in which they have resided, rather than as natives of the countries of their birth, as, for example, Germans who have resided in Russia for many years should be described as Russians, and Italians who have resided in Argentina should be described as Argentinians.

Care should be taken to distinguish between Scotch and Irish, and between Welsh and English.

Persons born in Great Britain or Ireland, unless they are plainly English, Welsh, Scotch, or Irish, should be described as British.

Persons born in Austria-Hungary should be described as Austrian or Hungarian, Bohemian, Croatian, Dalmatian, Galician, Polish, Ruthenian, Slovak, etc., as the case may be.

Persons born in Turkey should be described as Turkish, Armenian, Syrian, Arabian, Asiatic Turk, Hebrew, Greek, etc., as the case may be.

Persons born in India should be described as Hindu, Bengalee, Punjabi, Parsee, Goanese, Indian, etc., as the case may be.

Persons born in China should be described as Chinese or Mongolian.

Persons born in Japan should be described as Japanese.

Persons born in Africa should be described as Negro, Abyssinian, Egyptian, Liberian, Madagascan, Zulu, etc., as the case may be.

Persons born in Australia, New Zealand, Tasmania, Borneo, Java, Philippine Islands, Sumatra, Hawaii, Cuba, Porto Rico, Canada, Mexico, Central America, South America, West Indies, and other countries should be described as natives of those countries.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, with the remaining races of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as well husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, Philadelphia.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 28.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, ... Surgeon of the CARMANIA SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly SWEAR that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ..... , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER, of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SAY that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First, or Second Officer)

Geo W Nelson
COMMANDING Officer.

Sworn to before me this ... day of ..., 19

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, laborer, tailoress, dressmaker, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply by the general terms laborer, molder, turner, or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correspondents should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Can read and write*).—This column is subdivided and contains the following questions: "Can read?" "Can write?" If exemption is claimed, "upon what ground?" In answering this question the nationality or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a native, or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a person is a native, country of last permanent residence, and country of birth, and mistakes should be carefully guarded against by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien to-day may not properly come under the heading of England, Scotland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, South or South America, Europe, or Africa. No alien will be admitted who is of the African Negro race, but he may be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy South of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*If father living a ticket to such final destination*).—The answer should be either Yes (to ket) or No (no ti ket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if less, how much*).—The answer should give in each case individual or family. The exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1896, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to re-exam ination by inspectors officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER, of the CARMANIA, from LIVERPOOL, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Geo W Nelson

COMMANDING Officer.

Sworn to before me this ..... day of ....., 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money chosen, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Can read" [what language (or, if exemption is claimed, upon what ground)]. In answering this question the letter *R* (for read) the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race, with French passport, come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of married relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year for period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, T. Henry Knight, Surgeon of the CARMANIA SAILING THEREWITH, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do SWEAR that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. Health, ..., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

T. Henry Knight

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Leo W Nelson MASTER. (State whether Master, First, or Second Officer) of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 21 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Leo W Nelson

COMMANDING Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A Farmer is one who operates a farm, either for himself or for others.

A Farm Laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Can read," "Can write," "Can both read and write." In answering this question "Read what language?" "Write what language?" If exemption is claimed, upon what grounds? If alien is unable to read and claims exemption or cannot read, the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject; country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of race or people does not mean "French" by race or people, and, similarly, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of a country of temporary residence; country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether bound in part to join a relative and if so, what relative and his name and complete address*).—The answer should be either Yes (ticket) or No.

Column 16 (*Who paid passage*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50 and if less than $50, how much*).—The answer should give in each case the actual amount of money shown. Money brought by the head of a family should be considered as the property of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891–1897, Philadelphia.

Column 19 (*Whether going to join relatives or friends; and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory, and the answers, like all others on the deck, are subject to revision by inspection officers in the examination of aliens. However, in answering question 25, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr Harry Claypole SWEAR Surgeon of the CARMANIA SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ..... E.W.Va (Lond) ....., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Harry Claypole

Signature of United States immigration or other officer authorized to administer oaths.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before a U. S. immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER, of the CARMANIA, from LIVERPOOL, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Geo W Nelson

COMMANDING Officer.

Sworn to before me this ____ day of ____, 19

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet are subject to revision by inspection officers in the examining of aliens. However, by answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Dr Harry Clayton Singleton, Surgeon of the CARMANIA SAILING THEREWITH.
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly SWEAR that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ..... D D Lond (Lond), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER. (State whether Master, First, or Second Officer) SWEAR of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

COMMANDING Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1891, 1897, Philadelphia.

Column 19 (*Whether going to join relatives or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

List 1 C

AFFIDAVIT OF SURGEON

I, Dr Harry Clayton, Surgeon of the CARMANIA, SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly SWEAR that I have had ..... years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ..... (Seal), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, lawyer, lumber merchant, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money the former may have. The latter are laborers.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these instructions known to their agents and correspondents, to passengers, and to ticket and booking clerks during the personal examination of alien arrivals.

Column 8 (*Can read or write*).—This column is subdivided and contains the following questions:

First, "Can he read?" Second, "Can he write?" Third, "What language or dialect?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and returns to his native country the reason for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race of people to which immigrant belongs.

Special attention is called to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and instructions should be carefully noted to ascertain and properly enter in this regard. For instance, "France" appearing under the head of "Race or people" means "French" by race or people, and similarly, "French" appearing under the head of "Nationality" means "France" the country. An Irish, German, or Hebrew alien by race or people may be a citizen under the heading of Nationality of England or any other country. In this connection the following explanations should be especially observed:

CUBAN.

The term "Cuban" means a native of the Cuban people and Negroes.

WEST INDIAN.

The term "West Indian" means a native of the people of the West Indies (other than Cubans or Negroes).

AFRICAN (BLACK).

The term "African (black)" means a native of Africa (Negroes).

EAST INDIAN.

The term "East Indian" means a native of the people of Hindustan, British India, and Asiatic Turkey.

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Courtesy of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If ticket bearing a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives, friends, steamship company, etc.

Column 16 (*If in possession of $ so, and if less than $50*).—The answer should give in each case the amount of money the alien has in his possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*If ever in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, 1907, Philadelphia.

Column 18 (*If going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answer, like all others on the sheet, are subject to the search by Inspectors in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Courtesy of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If ticket bearing a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives, friends, steamship company, etc.

Column 16 (*If in possession of $ so, and if less than $50*).—The answer should give in each case the amount of money the alien has in his possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*If ever in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, 1907, Philadelphia.

Column 18 (*If going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answer, like all others on the sheet, are subject to the search by Inspectors in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The ages in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the man who operates it.

Steamship companies are requested to make this distinction on the manifests and care must be taken by inspection officers, immigrant inspectors, and steamship clerks during the personal examination of alien arrivals.

Column 8 (*Nationality*).—This column is subdivided and contains the following questions:

(*Race or people*).—Question 8 should be carefully noted, for it exemption is claimed upon what "race or people" the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the "race or people" to be stated. The entry should show the language, or dialect, the alien is able to read.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Last residence*).—See list of races printed on back of this sheet. The entry should show the last country of which alien was a citizen or subject.

(*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject, keeping in mind the distinct residence and country of birth and nationality should be carefully observed. Immigrant inspectors have been instructed to be particular in this regard. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo W Nelson MASTER. (State whether Master, First, or Second Officer) of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 19 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money, thus as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. "For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much.*)—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1901–1906, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax* [illegible] steamship lines should make no entries in this column. The space [illegible]

Column 4. [illegible] the answer in this column should be expressed in years or months, the latter [illegible]

Column 5. [illegible] This entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, lawyer, clerk, [illegible] mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite designations."

A distinction should be made between farmers and farm laborers, regardless of the amount of money [illegible] in either.

A farmer is one who operates a farm, either for himself or for other.

A farm laborer is one who works on a farm for the many who operate it.

Special [illegible] should make this distinction on the manifests, and corrections should be made [illegible] by the examining and inspecting clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: "Can read?" "Can write?" If an affirmative is returned upon what [illegible] In answering this question the [illegible] is satisfied that the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is called to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully [illegible] with regard to this distinction and particular attention is called to this regard. For instance, "Hebrew" appearing under the [illegible] "Jewish" [illegible] "Russian" [illegible] or people and, similarly, "French" appearing under the [illegible] "Alsatian" [illegible] "Basque" [illegible] "Breton" [illegible] "Flemish" [illegible] "Norman" [illegible] "Parisian" [illegible] "Provençal" [illegible] "Spanish" [illegible] "Swiss" [illegible] "Teutonic" [illegible] "Welsh" [illegible] country. As Irish, German, or Hebrew will not be [illegible] Switzerland, Scotland, or any other country. In this connection, the following descriptions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro [illegible] from Cuba or other islands of the West Indies, North, Central, or South America, Europe, or Africa. [illegible] of Mulatto or Quadroon blood of the African Negro should also be described as a member of the black or African race.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gaelic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of allegiance, nationality, country of birth, intermediate, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of person he is joining in country whence alien came.*—The entry should give name and address of such relative. If he has such relative living, give name and address [illegible] joined.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. A [illegible] of one year shall constitute permanent residence. The entry should show definitely the place to which, if intended before permanent residence in United States is [illegible] country, if intended that it will be [illegible]

Column 14. *If going to join a relative, state his name and address.*—The answer should be either Yes [illegible] or No.

Column 15. *By whom passage paid.*—The entry should show definitely by whom passage was paid, [illegible] husband, father, brother, or other relative [illegible] steamship company, etc.

Column 16. *Whether in possession of $50 and if less than $50 how much.*—The answer should be [illegible] as follows: "Yes" if in possession of $50 or more; "No" if less than $50 is held by the head of a family or [illegible] amount thereof in the name of the family.

Column 17. *If ever before in the United States, and if so, when and where.*—The answer should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of each such [illegible] as "1901, 1903, Philadelphia."

Column 18. *Whether going to join a relative in prison, and if so, what and where.*—The answer should show whether or not, to the best knowledge and belief of the person [illegible] and if so, what relative it is and [illegible] and complete address thereof.

Columns 20 to 33. These questions are to be answered as the alien [illegible] They [illegible] are applicable to persons in the possession of visas. However, if answering question 28, if alien has been deported within one year and the Secretary of Labor has [illegible] to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, H. Henry Clough, Surgeon of the CARMANIA, SAILING THEREWITH, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly SWEAR that I have had ..... years' experience as a Physician and Surgeon, and that I am qualified to practice as such by and under the authority of H. M. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Geo. W. Nelson MASTER, (State whether Master, First, or Second Officer) of the CARMANIA, from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the steamship agent should the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scrutinized by examining and registry clerks in this regard. For instance, "France" appearing under the head of country of birth may mean "French" as a race or people, and, similarly, "French" appearing under the heading of race or people may mean "France" as country. An Irish, German, or Hebrew alien by birth or last permanent residence under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro or to the descendants from Cuba or other islands of the West Indies, North or South America, Europe, or Africa, who are of mixed with a admixture of blood of the African Negro stock. To be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States—country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if less than that amount*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1896, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join father a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to be given by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

* Permanent residence will mean intention of the immigrant to remain permanently or indefinitely in the United States. Temporary visits abroad will not affect the question of permanent residence if the immigrant intends to return to the United States as a permanent resident. Intention to become a citizen of the United States is not sufficient evidence of intention to acquire permanent residence in the United States. Immigrants who have resided one year or more in the United States are presumed to have acquired permanent residence therein. Immigrants who have resided less than one year in the United States are presumed to have acquired permanent residence if they have filed declarations of intention to become citizens of the United States, or if they have sent for their families, or if they have real estate or other property in the United States, or if they have been employed continuously in the United States, or if they have otherwise established a home in the United States. Immigrants who have resided less than one year in the United States are presumed not to have acquired permanent residence if they have returned to their native countries, or if they have gone to countries other than the United States, or if they have remained in the United States for a temporary purpose only.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master *(State whether Master, First, or Second Officer)*, *of the* S/S " Hellig Olav " *from* Copenhagen, *do solemnly, sincerely, and truly* declare *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* twentyfive *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect," etc. In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully noted by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from C... Indies, North or South America, Europe, or Africa. Any alien with ad... Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of countries of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent re... the United States; country, if outside the United States.

Column 14 (*If ticket bought to final destination*).—The ans... or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show ... paid, as self, husband, father, brother, or other relative, friend, steam...

Column 17 (*If in possession of $50, and if less, how much*).—... individual or family the exact amount of money shown. Money be... need be divided among the several members of the family.

Column 18 (*If ever before in the United States, and if so, ...*) show whether or not Yes or No (in the United States before, and ... place, as, 1903, 1905, Philadelphia.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Head tax status.*—Steamship lines should make no entries in this column. The status of each alien as to admissibility will be determined by the examining officials.

Column 2. *Name.*—Each person's name in this column should be expressed in full, the last name or surname first, then the first name and middle name, if any.

Column 3. *Age.*—Write the age of each person on the line with his name. Persons who are one year old or under should have their ages stated in months, thus: "6 mos." Persons who are more than one year old but not more than two years old should be stated as "1 year." Persons who are more than two years old should be stated as "2 years," "3 years," etc.

Column 4. *Sex.*—Write the word "male" or "female," or the letter M or F, to indicate the sex of each person.

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 10. *Last permanent residence.*—Write the name of the country in which each alien resided with the intention of remaining one year or more. This is frequently the country of birth, but not always. If an alien has resided in several countries, the last one in which he resided for a year or more should be entered. If he resided in the United States for a year or more and then went to Canada, Mexico, Cuba, or adjacent islands, and returned to the United States with the intention of residing here permanently, the country from which he so returned should be entered. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The entries in it are for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years. For infants, the fractions of a year may be stated, as 6 months, 9 months, etc., but entries, as "1 month," "2 months," are to be avoided. Children in arms should be entered as "1 year" if under 1 year of age, and only as those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the calling or occupation, trade, or profession of each alien arrived, as, for example: Clerk, stenographer, engineer, farmer, merchant, minister of religion, lawyer, physician, dressmaker, milliner, seamstress, tailoress, typewriter, stenographer, bookkeeper, salesman, saleslady, servant, or other laborer. Do not enter as laborer, without specifying the character of labor performed, unless the person has no occupation, as frequently the case of the aged, women, and children.

A question often arises as to whether a laborer is a farmer or not. A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A day laborer is one who works on the highways or on the mountains, and a mere statement should be made to that effect.

Steamship companies should make the distinction between a mechanic and a laborer.

Actors, showmen, artists, lecturers, and musicians should be so described.

Persons formerly engaged in any of the above occupations, but not actually employed at the time of sailing, should be reported as laborers, without occupation.

Column 8 (*Able to read and write*).—This column is intended to show whether the alien can read and write the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be stated.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show to what race or people alien belongs.

Several governments should be named in the immigration laws as recognizing the country of which citizen or subject as the proper designation for purposes of this question. For instance, Great Britain recognizes as separate countries the following: England, Scotland, Ireland, Wales, and sometimes a colony or dependency. The entry should be in each case the name of the particular country of last permanent residence, and country of birth, and statements should be carefully scrutinized in this regard. For instance, a "Scotch" alien may state that he was born in Glasgow, Scotland, and his race or people should be entered as "Scotch." An "English" alien may state that he was born in Liverpool, England, and his race or people should be entered as "English." A "German" alien may state that he was born in Strasburg, Germany, and his race or people should be entered as "Hebrew." In each case the entry should describe as accurately as possible the race or people of which alien is a member, and not the country to which he owes allegiance. Persons of the Hebrew race should not be entered as citizens of Palestine, Asia Minor, Arabia, Persia, or Egypt, unless they are actually citizens of one of those countries. Persons of the Negro race should not be entered as citizens of Abyssinia, Liberia, Hayti, Santo Domingo, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not to negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AMERICAN INDIAN.

"American Indian" refers to the Aboriginal Indians of North America, Cuba, and the adjacent Islands of the West Indies, South or Central America, Mexico, or Alaska. Any alien with admixture of blood of the American Negro should not be classified under this designation.

ITALIAN (NORTH).

The people who are native to that part of Italy north of the basin of the River Po (i. e., compartments of Lombardy, Tuscany, and Venetia and Emilia) and other descendants, whether residing in Italy, Switzerland, Dalmatia, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year is considered to be the last permanent residence, regardless of length of actual residence thereon. The entries should be the name of the country and city or locality of last permanent residence. It is important for correct returns to be made hereon, as the country and city or locality of last permanent residence indicates the purpose of describing immigrants accurately as to country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and dependencies of temporary residence of aliens who are permanent residents of the United States and Country of last permanent residence should be recorded "United States."

Do not use the word "*same*" as answer to this question. Each question is to be answered separately.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Intended destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, friend, or other person (state which), friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be entered for him, the exact amount of money in the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should be divided among the several members of the family.

Column 19 (*Whether ever in penitentiary, etc.*).—The answer should show whether or not alien was ever in the United States before, and if so, the year or period of years and place, as, 1893, New Philadelphia.

Column 20 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether or not alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 25.—These questions are self-explanatory and the answers, like all others on the sheet, must be full, complete, and legible. Under the immigration laws of the United States no alien can be admitted to the United States who is found to be an anarchist, or a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or the assassination of public officials, or who disbelieves in or is opposed to organized government, or who advocates or is a member of or affiliated with any organization entertaining such belief or advocating such overthrow, assassination, or destruction of property, or who advocates the unlawful damage, injury, or destruction of property, or who is a prostitute or a person coming into the United States for any immoral purpose, or who is a professional beggar, or who is a person likely to become a public charge, or who is afflicted with a loathsome or dangerous contagious disease, or who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or who is a polygamist, or who has come in consequence of any promise, agreement, or solicitation to perform labor in the United States, or who is under 16 years of age and not accompanied by parent or guardian, or who has been deported and has not obtained consent to reapply for admission. The law imposes a fine of $100 on each person who brings in an alien who is afflicted with a loathsome or dangerous contagious disease, unless it can be shown that the alien had the disease when he left the country, or that he came within the country's boundaries while in transit through it from a country where he had resided. Any person who knowingly brings in an alien who is afflicted with a loathsome or dangerous contagious disease, or who is a polygamist, or who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or who is a prostitute or a person coming into the United States for any immoral purpose, or who is a professional beggar, or who is a person likely to become a public charge, or who is afflicted with a loathsome or dangerous contagious disease, or who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or who is a polygamist, or who has come in consequence of any promise, agreement, or solicitation to perform labor in the United States, or who is under 16 years of age and not accompanied by parent or guardian, or who has been deported and has not obtained consent to reapply for admission, is also subject to a fine of $100 for each such person. Special attention should be given to the following questions:

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] Head tax exempt. — Steamship lines should make no entries in this column. The entry of exempt Government officials only.

Column 4. Name. — The answer in this column should be given by surname or family name first, then the given name or initials, the latter following the former, as directed under Section 2 (a) of the Act.

Column 5. Age. — The entry should be either Months or Years.

Column 6. Sex. — The answer should be M (male) or F (female).

Column 7. Married or single. — The answer should be M (married) or S (single). Add a widower or widow is married or single.

Column 8. Calling or occupation. — The entry should be given as accurately as possible, the exception that all persons engaged in each specific calling, as, for example, all engineers, all carpenters, all laborers, all farmers, all servants, all clerks, all tailors, all seamstresses, all dressmakers, all milliners, all physicians, all surgeons, all clergymen, all musicians, all lawyers, all actors, all authors, all merchants, all bankers, all barbers, all butchers, all cooks, all dressmakers, all gardeners, all grocers, all hucksters, all janitors, all laundresses, all painters, all peddlers, all plumbers, all porters, all saleslady, all salesmen, all shoemakers, all stonecutters, all tailors, all tailoresses, all teamsters, all weavers, all wheelwrights, all wood workers, etc., and not simply as laborers, workers, helpers, servants, mother, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, according to the amount of money they have in addition

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the one who operates it.

Stockmen, herders, etc., should make that distinction on the same basis as farmers should be made.

If employed for operating coal mines, they should be entered as miners, and if for operating metal mines as metal miners.

Column 9. Can read? Can write? — This column should be filled in the words "Yes" or "No" to answer these questions. Every person 16 years of age and upward, physically able to read and write, must be examined as to his ability to read and write, unless he comes within one of the exceptions made in the law. If he has the ability to read, but not to write, he should be entered as able to read.

Column 10. Nationality. — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. Race or people. — This should be very carefully filled in. Many errors occur in this column. The following instructions should be carefully observed:

"Hebrew"

The term "Hebrew" refers to the religion people and not to race.

"West Indian"

"West Indian" refers to the people of the West Indies, that is, "Cuban," "Haitian," "Jamaican," etc.

"Negro"

"Spanish American" refers to the people of Central and South America and of Spanish descent.

"Negro"

"African (black)" refers to the African native, whether born in Africa or brought to this country. The term "black" should not be used to describe this class. Any alien with admixture of blood of this race should be classified under this heading.

ITALIAN (NORTH)

The people who are native to that portion of Italy North of the basin of the River Po, i. e., compartimenti of Piedmont, Liguria, Lombardia, Venetia and Emilia, and those descended, who are residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy South of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country at which alien landed with the intention of remaining one year constitutes residence. The entries should show the country and town or locality of actual residence thereon. The entries should show the country and town or locality of last permanent residence. It is important for enforcement of steamship companies accurately show country of last permanent residence independently of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who were permanent residents of the United States and are returning to same should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should show name and address of such relative. If no such relative living, give home and address abroad.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, together with the State. If to be the United States. — If the answer should be either Yes (ticket) or No (cash).

Column 15. *By whose assistance was passage paid.* — The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Have you ever been in prison or almshouse or asylum, or supported by charity? Have you ever had tuberculosis?* — The answer should give in each case positive evidence of the exact amount of money shown. Money brought by the head of a family should be so labeled among the several members of the family.

Column 18. *If not, state whether you are going to the United States on account of war.* — The entries should show whether Yes or No in the United States between and if so, the year or period of years, and place, as 1914-1918, Philadelphia.

Column 19. *If going to join a relative or friend, state who, what relative or friend.* — The answer should show whether going to join relative or friend and if so, what relative or friend, with name and complete address.

Questions 20 to 43. — These questions are self-explanatory and the answers, like all others on the sheet, are required to be full and complete as to race or nationality of aliens. However, in answering question 21, if alien has resided in United States, state when and the Secretary of Labor has authorized him to reapply for admission, the date only of such prior admission should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master *(State whether Master, First, or Second Officer), of the* S/S " Hellig Olav " *, from* C o p e n h a g e n *, do solemnly, sincerely, and truly* declare *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* six *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter only for those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Clerk, engineer, carpenter, farmer, machinist, moulder, engineer, brass polisher, steel polisher, iron molder, wood worker, etc., and not simply as engineer, polisher, molder, worker, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money brought by laborers.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correct lists should be made of persons, by name and property owned, during the personal examination of alien arrivals.

Column 8 (*Can read and write.*)—This column now embodied and contains the following question: "Read what language (or, if exemption is claimed, tell what exemption)?" In answering this question (the word "language" being given regards to read should be stated). If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and nationality should be correctly entered by inspectors and contract clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" for country. An Irish, Germans, or Hebrew arriving on passport issued under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to Negroes coming from Cuba, the other islands of the West Indies, South or South America, Europe or Africa. Any alien with admixture of blood of the African Negro should be classified as African (black).

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If not in possession of $50, cash or less than $50.*)—The answer should give to each case (male and female) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894, 1897, Philadelphia.

Column 19 (*If coming to join relative or friend, and if so, what relative or friend.*)—The answer should show whether coming to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to investigation by inspectors who pass on the examination of aliens. However, in answering question 23, if alien has been a deported alien one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master, of the S/S " Hellig Olav ", from Copenhagen, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, twentyfive in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master Officer.

Sworn to before me this 21st day of December, 19 20.

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Immigrant inspectors only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of or it given at all, for example, "coal-miner," "engineer," "mechanic," and not as "laborer," "driver," "clerk," "servant," "boy," "girl," "man," "woman," "gentleman," or "lady." If a person has no occupation, the word "none" should be entered. If a child has an occupation, the occupation should be entered.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may own, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the year or by the season.

Steamship companies should insist upon the correct classification of alien arrivals.

Steamship companies should insist upon the correct classification of alien arrivals.

Column 8 (*Able to read and write*).—The column is subdivided and contains the following questions, if necessary, by inspectors and persons conducting the examination of aliens:

"Read what language?" or, if examination is conducted, upon what ground?—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between the country of which a citizen or subject—country of last permanent residence and country to which alien immigrants should be credited. For instance, persons speaking under the head of German may be natives of Germany, Austria-Hungary, Russia, Switzerland, or any other country. In this connection, the following classification should be observed:

[illegible]

The term "Celtic" embraces the Celtic peoples of [illegible]

"West Indian" embraces all persons born in the islands adjacent to the American Continent, including Cuba and Panama, and the Republic of Haiti, who do not speak English as their native tongue. Such persons, if speaking English, should be classified as Negroes or Africans.

"Spanish" embraces all persons born in Spain, Mexico, Central and South America, or the West Indies, who do not speak English as their native tongue.

"Africa" embraces all persons born in Africa, except those of the white race, who should be classified as Negroes. Persons born in Egypt, Arabia, Asia Minor, and the Canary Islands, off the coast of Africa, should be classified as belonging to the Mediterranean race. Persons born in the Barbadoes, Bermudas, Bahamas, and other British West Indies, South American countries, and the Republic of Haiti, should be classified as Negroes.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and dependencies should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative living, give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place—city or town—of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*If holding through ticket to point in final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*How much money alien has in his possession*).—The answer should give in each case the amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*If in possession of $50, and if less have amount*).

Column 18 (*If ever in the United States before, and if so, when and where*).—The entries should show whether or not Yes or No—in the United States before, and if so the year or period of years and places, as 1870–1907, Philadelphia.

Column 19 (*If coming to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join, or has a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self-explanatory and the answers, like all the others on the sheet, are subject to the scrutiny of inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given

AFFIDAVIT OF SURGEON

209

I, Preben Rovsing, Surgeon of the S/S " Hellig Olav ", sailing therewith, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)

solemnly, sincerely, and truly declare that I have had one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of royal medical college at Copenhagen, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, eighteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 21st day of December 1920., 19

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, 1 real engineer, stationary engineer, lumberman, trader, or professor of such a specific character as bricklayer, stone polisher, iron molder, wood turner, etc., and not merely as laborer, engineer, horse polisher, stone polisher, iron molder, wood turner, etc., and not merely as laborer, farmer, engineer, horse polisher, molder, turner, or other indefinite designation.

A clear distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and resident clerks during the period of examination of aliens arrived.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or dialect," if examination is contested, upon what ground?" In answering this question, "Read what language or dialect," if examination is contested, upon what ground?" In answering this question, the nationality or race of the alien is liable to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which each alien belongs.

Special attention is invited to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth, and statements should be carefully considered by inspectors and resident clerks in this regard. For instance, "Finnish" appearing under the head of country of birth and "Russian" under the head of race or people, and similarly, "French" appearing under the head of country of birth and "Breton

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Can read" and "Can write." In answering this question "Read and write" languages for, if exemption is claimed, upon what grounds?" In answering this question the language or dialect in which the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be correctly prepared by steamship and passenger clerks in this regard. For instance, "France" appearing under the heading "Country to which citizen or subject" is a race or people, and, similarly, "French" appearing under the heading "Country of last permanent residence" means "France" by country. An Irish, German, or Hebrew alien belongs to that race or people, and not necessarily to the country of England, Switzerland, or any other country. In this connection the following classifications should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" includes the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. A mulatto with admixture of blood of the African Negro should be classed under that heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venezia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such a relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the [illegible] or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No, Yes or No ticket.

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family (the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1896-1898, Philadelphia.

Column 19 (*Whether going to join relatives or friends; and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master (State whether Master, First, or Second Officer), of the S/S " Hellig Olav ", from Copenhagen, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, twentyeight in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 1, 2 (Head tax status) — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (Age) — The answer in this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 4 (Sex) — The entry should be either M (male) or F (female).

Column 5 (Married or single) — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Married or single) — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation) — The entry should describe as accurately as possible the occupation of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, engineer, molder, farmer, or other indefinite description.

A mother should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Ambiguous entries should make this distinction on the manifests, and corrections should be made by immigrant inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write) — This column is subdivided and contains the following question: Read what language? or, if exemption is claimed, upon what ground? In answering this question, Read what language? or, if exemption is claimed, upon what ground? If alien is unable to read and claims no exemption, he will be asked the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality) — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people) — See list of races printed on back of this sheet. The entry should show the racial group to which said alien belongs.

The distinction to be made in the designation between race and the country of which a citizen or subject is not always clear. In general, races and peoples should be designated by the name of the country from which they came, as English, Irish, Scotch, Welsh, German, French, Italian (North), Italian (South), Spanish, Portuguese, Dutch, Flemish, Swedish, Norwegian, Danish, Russian, Finnish, Polish, Bohemian (Czech), Slovak, Moravian (Czech), Austrian, Hungarian, Croatian, Slovenian, Ruthenian (Russniak), Turkish, Armenian, Greek, Syrian, Chinese, Japanese, Indian (Hindu), Arabian, Persian, Negro, Mexican, West Indian, Central American, South American, Pacific Islander, East Indian, African (Black), and other races or peoples.

Persons born in Scotland should not be described as English, persons born in Wales should not be described as Welsh, nor should persons born in any of the British Colonies be described as belonging to the race or people inhabiting such colonies, but each should be described as a native of the country to which he belongs by birth or citizenship, as the case may be. Care should be taken that the term "American" be not used indiscriminately to describe citizens of the United States.

CUBAN

Cubans will belong to the Cuban people (not Negroes).

HAITIAN

Haitians will be entered as the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

Spanish Americans will be entered as the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

Natives of Africa (Black), of the African Islands belonging to Great Britain or other Islands of the West Indies, Central or South America, Europe, or Africa, will be entered as of African (Black) race, unless such person is of mixed blood, in which case he will be entered according to that European race or people which predominates.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these have a Gaelic dialect of true Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence) — A real or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year shall be the last permanent residence, regardless of length of actual residence thereon. The entries should be the last permanent residence, regardless of length of actual residence thereon. The entries should show the country and city or town of last permanent residence. It is important for immigration purposes that steamship companies accurately show country that permanent residence was established. For statistical purposes that steamships companies accurately show country of birth, nationality, or race, and last permanent residence. Distinction should be made between country of birth, nationality, or race, and last permanent residence. Distinction should be made between country of birth, nationality, or race, and last permanent residence. Distinction should be made between

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master, of the S/S "Hellig Olav", from Copenhagen, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, thirty in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master ~~Officer~~.

Sworn to before me this 21st *day of* December, *19* 20

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example, Chief engineer, engineer, fireman, trimmer, fireman, passenger, boiler maker, engine fitter, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, seaman, engineer, boiler maker, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the part who operates it.

Corrections or changes should be made by the inspectors on the manifests, and corrections should be made by steamship companies only when directed by the proper examination of alien arrivals.

Column 8 (Nationality and race).—This column is subdivided and contains the following question:

"Nationality. *(Country of which citizen or subject.)*" This column should be filled out by stating the country to which the alien owes allegiance, as England, Germany, France, Italy, Russia, Turkey, etc. If a person is a citizen or subject of more than one country, the country to which he owes allegiance should be stated.

"Race. *(People or kindred.)*" This kind of entry is printed on back of this sheet. The entry should state the race or people to which each alien belongs.

Questions relating to nationality and race should be answered in the discretion between race and the country of which citizen or subject. Each alien should be questioned as to his race, and his answer recorded. For instance, "Hebrew" appearing under "Nationality" and "Russia" appearing under "Country of last permanent residence" and "Country of birth" would indicate that the alien was a Russian Hebrew. Similarly, "Irish" appearing under "Nationality" and "United States" appearing under "Country of last permanent residence" and "Country of birth" would indicate that the alien was an Irish native of the United States. Other illustrations might be given, as "Negro" for Negro people, and, similarly, "French" appearing under "Nationality" and "France" appearing under "Country of last permanent residence" and "Country of birth" would indicate that the alien was a native of France. Such entries as "English," "Scotch," "Welsh," "Irish," "Canadian," "Mexican," "Cuban," "Porto Rican," "Spanish," "Portuguese," "Turkish," "Armenian," "Syrian," "Chinese," "Japanese," "Hindu," "East Indian," "Polish," "Bohemian," "Moravian," "Slovak," "Dutch," "Flemish," "Belgian," "Finnish," "Swedish," "Norwegian," "Danish," "Icelandic," "Roumanian," "Greek," "Russian," "Scotch Highlander," "Welsh," "Irish," "Canadian," "Ind

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Lars Holst, Master, of the S/S " Hellig Olav ", from Copenhagen, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, thirty in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(State whether Master, First, or Second Officer)

Master Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "laborer," "polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money aliens may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who owns it.

Immigrant inspectors should make this distinction on the manifests, and corrections should be made if necessary, by immigrant and deportation officials during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language or, if exemption is claimed, read what grounds?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the racial group or people to which alien belongs.

Special attention is called to the distinction between race and the country of which citizen or subject, the country of last permanent residence, and country of birth, and manifests should be correctly prepared in accordance with such country entries as may be required. For instance, "France" appearing under the head of country of last permanent residence should be supplemented, as the case may be, by "Alsatian," "Breton," "Basque," "Corsican," "Norman," "Parisian," "Provençal," or "Teutonic." An Irish, German, or Hebrew alien becomes a citizen or subject of the country of his residence if England, Switzerland, or any other country. In this connection the following entries should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come direct from Cuba or other Islands of the West Indies. Negro of mixed American, European, or African Asiatic blood with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Raetian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, and not merely the State. Foreign countries are not to be entered.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No.

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, by friend, father, by them, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than $50*).—The answer should give in each case (male, female, or family) the exact amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as 1906–1909, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are explanatory and the answers, like all others on the sheet, are subject to revision by immigrant officials in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for official Government use only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months. Use latter abbreviations only in those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, accountant, lawyer, bookkeeper, dressmaker, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as laborer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Immigrant inspectors should make this distinction on the manifests, and corrections should be made if necessary, by consulting said sections, if doubt during the personal examination of aliens arrives.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions:

Can read (whether can, if exemption is claimed, upon what ground).—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the literacy requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—Must be filled in as directed printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. The country of last permanent residence and country of birth, and nationality should be carefully noted. For instance, a native of Germany may be a Hebrew by race or people, and, similarly, a native of France may be of the Basque race or people, but neither "German" nor "French" is the correct race or people designation in such cases. The race or people should be entered as "Hebrew," "Basque," etc., and not by the country. An Irish, German, or Hebrew alien is to be entered here as "Irish," "German," or "Hebrew," as the case may be, and not as "English," "Scotch," "Austrian," "Russian," or any other country. In this connection the following extracts from the Immigration Act should be especially observed:

CUBAN.

The term "Cuban," when used to indicate race or people, means a native Cuban people and not Negroes.

WEST INDIAN.

"West Indians" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to full-blooded Africans, whether natives of Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any person with admixture of blood of the African Negro should be considered as of the black race.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien comes*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, or country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No (or X or the like).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (by "Yes" or "No") the exact amount of money shown. Money brought by the head of a family should be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (by "Yes" or "No") alien has been in the United States before, and if so, the year or period of years and place, as 1903, Chicago; 1907, Philadelphia.

Column 18 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to personal inspection officers in the examination of aliens. However, if answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, Lars Holst, Master, of the S/S " Hellig Olav ", from Copenhagen, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, thirty in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation of each alien, if employed at such, as, for example: Civil engineer, stationary engineer, laborer, carpenter, farmer, seamstress, house painter, steel polisher, iron molder, wood turner, cook, and not merely laborer, engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money alien has or lacks.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Alien seamen should not be entered as sailors during the period of their detention.

Column 8 (*Able to read and write*).—This column usually included and contains the following question: Can the alien read and write? If exemption is claimed, state what ground is claimed. If alien is unable to read and claims exemption from literacy requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the primary racial classification only.

Column 11 (*Last permanent residence*).—The proper answer between race and the country of which citizen or subject is not sufficient. The name of the country to which the alien belongs should be entered. For instance, a native of France, speaking under the French flag, should be entered as "French," and not as "Breton," "Basque," "Provençal," "Alsatian," "Lorrainese," "Gascon," "Parisian," or "Norman." An Irish, German, or Hebrew alien is to be entered as such, and not as "British," "Austrian," "Russian," "Dutch," or any other country. If the alien has resided in more than one country, the last country of which he was a permanent resident should be given.

CUBAN.

The term "Cuban" refers to the Cuban people and Creoles.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies, but does not include Cubans or Negroes.

MEXICAN.

The term "Mexican" refers to the people of Mexico and South American of Spanish descent.

AFRICAN (BLACK).

The term "African (black)" refers to the African Negro race, including Cuban, native Islanders of the West Indies, and the Central American, Mexican, or South American Negroes who are of blood of the African Negro race, but excluding those hereinafter classified.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give the name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the [illegible] intended future permanent residence, if within the United States, or complete address if in the United States.

Column 15 (*If having a ticket through to such final destination*).—The answer should be either Yes or No.

Column 16 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less how much*).—The answer should give in each case the amount of money the alien has in his own possession. Money brought by the head of a family should be accounted for among the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether alien has been in the United States before, and if so, the year or period of year, and [illegible]

Column 19 (*Whether going to join relatives or friends and if so, what relatives or friend*).—The purpose should be stated whether to join relatives or friends, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, blanks as there on the sheet are supplied by the various officers in the examination of aliens. However, in answering question 27, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, Lars Holst, Master (State whether Master, First, or Second Officer), of the S/S " Hellig Olav ", from Copenhagen, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, twentyeight in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 [illegible]—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 [illegible]—The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5 [illegible]—The entry should be either M (male) or F (female).

Column 6 [illegible]—The answer should be S (single), M (married), W (widowed), or D (divorced).

Column 7 [illegible]—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, "civil engineer, "tailor," "servant," "laborer," "clerk," "shoemaker," "author," "editor," "lecturer," "actress," "musician," "painter," "sculptor," "weaver," "dressmaker," "milliner," "bookkeeper," "stenographer," "accountant," "engineer," "draftsman," "farmer," "merchant," "butcher," "baker," "grocer," "druggist," "physician," "surgeon," "clergyman," "miner," "mason," "bricklayer," "plasterer," "plumber," "carpenter," "cabinetmaker," "gardener," "blacksmith," "machinist," "locomotive engineer," "conductor," "boilermaker," "horseshoer," "upholsterer," "painter," "glazier," "tinsmith," "roofer," "printer," "bookbinder," "lithographer," "photographer," "electrician," "saddler," "harnessmaker," "barber," "hairdresser," "manicurist," "chiropodist," "restaurant keeper," "cook," "waiter," "housekeeper," "nurse," "maid," "porter," "janitor," "elevator conductor," "newsdealer," "huckster," "peddler," "hostler," "driver," or other definite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A farm laborer having saved enough money to buy a farm should be entered as a farmer.

Great care should be taken that the entries in the occupation columns are correct and legible, for the information required by these columns is frequently of importance in the examination of aliens at ports of entry, by immigrant inspectors and others.

Column 8 [illegible]—Specific questions are framed with a view to ascertaining the physical and mental condition of each alien, and the answers thereto must be carefully considered by the surgeon making the examination. Any "defect" noted by the surgeon must be recorded in column 8, and any alien found to be suffering from a loathsome or dangerous contagious disease must be certified.

Column 9 [illegible]—Nationality.—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 [illegible]—See list of races printed on back of this sheet. The entry should show the race to which each alien belongs. In the distinction between race and the country of which citizen or subject, care should be taken to avoid confusion between race and country of birth, and entries should be carefully considered. Thus, a native of Ireland, Scotland, England, or Canada, of any other country, should be entered as "Irish," "Scotch," "English," or "Canadian," but

I, Lars Holst, Master, *of the* S/S " Hellig Olav " *, from* Copenhagen *, do solemnly, sincerely, and truly* declare *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* thirty *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who owns it.

Neatness in compilation should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following question:

Read what language, if exemption is claimed, upon what ground?"—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the races to which aliens belong and not nationality.

Special attention should be paid to heeding no distinction between race and the country of which citizen or subject, the difference between last permanent residence and country of birth, and manifests should be correctly made out in accordance with the entries in this regard. For instance, "France" appearing under the heading "Country of which citizen or subject" means "French" by race or people, and, similarly, "French" appearing under the heading "Country of last permanent residence" means "France" by country. An Irish, German, or Hebrew alien by race should not be entered as a citizen or subject of England, Switzerland, or any other country. In this connection the following data should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro. All persons coming from Cuba or other islands of the West Indies, Mexico, or South America, Europe, or Africa, who are born with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Arrival or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of nationality, residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer in this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the location by the proper city or town of intended future permanent residence, if within the United States (name only if outside the United States).

Column 14 (*Is alien going to join relative or friend at final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Is alien now coming part.*)—The entry should show definitely by whom passage was paid, as wife, husband, mother, brother, or other relative (name), steamship company, etc.

Column 16 (*Amount of money in possession of alien or group and how obtained.*)—The answer should give in each case the amount of money. The exact amount of money shown. Money brought by the head of a family should be reported for the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where.*)—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as, "1907, Philadelphia."

Column 18 (*Whether going to join relative or friend; and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet are subject to verification by the inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Can read" [can write]. If an exemption is claimed, upon what ground?" In answering this question the word "Yes" or "No" should be entered, as the case may be. If the alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien arrival belongs.

Particular attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and members should be carefully guided by these rules and by the following examples in this regard. For instance, "France" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "French," "Alsatian," "Basque," "Breton," "Norman," "Celtic," or "Teutonic," according to the best information obtainable. Similarly, "Germany" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "German," "Bohemian," "Moravian," "Austrian," "Hungarian," "Magyar," "Polish," "Croatian," "Slovak," "Dalmatian," "Ruthenian," "Slovenian," "Roumanian," "Saxon," "Transylvanian," "Swabian," "Carpathian Mountain," or "Black Forest," according to the best information obtainable. "Turkey" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Turkish," "Armenian," "Syrian," "Arabian," "Asiatic Turkish," "Kurd," "Greek," "Albanian," "Roumanian," "Bulgarian," "Servian," "Montenegrin," "Croatian," "Slovak," "Dalmatian," "Ruthenian," "Slovenian," "Saxon," "Transylvanian," "Swabian," "Carpathian Mountain," or "Black Forest," according to the best information obtainable. "Spain" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Spanish," "Catalonian," "Castilian," "Navarrese," "Andalusian," "Basque," "Balearic Islander," "Gallician," "Asturian," "Moorish," "Portuguese," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "Portugal" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Portuguese," "Madeiran," "Azorean," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "Europe" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "European," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "North America" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Canadian," "Newfoundlander," "Greenlander," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "South America" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Argentinian," "Bolivian," "Brazilian," "Chilean," "Colombian," "Ecuadorian," "Guianese," "Paraguayan," "Peruvian," "Uruguayan," "Venezuelan," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "Central America" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Costa Rican," "Guatemalan," "Honduranian," "Nicaraguan," "Panaman," "Salvadorian," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "West Indies" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Cuban," "Haitian," "Jamaican," "Barbadian," "Trinidadian," "Martinican," "Guadeloupian," "Porto Rican," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable. "Mexico" appearing under the heads of country of birth, country of last permanent residence, and country of which citizen or subject, is not sufficient, and the race or people should be entered as "Mexican," "Jewish," "Gypsy," or "Roumanian," according to the best information obtainable.

In connection the following discriminations should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people [not Negroes].

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN [BLACK].

"African [black]" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence, if within the United States. If to a place in the United States, state city or town and State. If to a place outside the United States, state country.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No.

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should include that of wife or family, the exact amount of money shown.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should not be confined among the several members of the family.

Column 18 (*Whether relatives here, and if so, what relatives and where*).—The entries should show whether or not [Yes or No] in the United States before, and if so, the year or period of years and place, as, 1907, Yes, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend, and name and complete address*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet are subject to revision by inspection officers as the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.
